Among the documents included in the series are: annual messages; budget messages and presentations; legislative approval and veto messages; emergency messages and messages of necessity (governor's requests that the legislature take immediate action on particular

legislation); executive orders; judicial designations; pardons; statements and addresses; and appointments.

Documents in the series which were not published include: condolences (1983); correspondence and press releases regarding state investigations (1985); miscellaneous press releases (1984, 1986); and proclamations (1984-1986).
