Scope and Content Note

This series consists of color and black and white positive and negative photographs depicting various scenic areas, buildings, activities, and historic sites and landmarks taken throughout New York State. Interfiled among the photographs are written materials such as pamphlets, brochures, etc. that provide additional background information and description of the images represented in the photographs. The photographs were created and maintained as a reference source to answer questions about possible locations in New York State that could be used in motion pictures, television shows, or advertisements.
