Scope and Content Note

The series consists of files documenting the historical records microfilm project (1966-1976); the town origins project (1977); the government archives project (1979-1983); the Mormon microfilm project; and the Glenridge Hospital Project, Schenectady (1985-2003). In addition to these special projects there is information on the return to local governments of local records held by the State Archives (1986-1995).

19064-06: This accretion consists of photocopies of index cards that provide information about records returned to local governments by the State Archives because they were deemed not to be state government records.
