Overview of the Records

Repository:	New York State Archives
Summary:	These files consist mainly of correspondence transmitting reports to the governor's office or acknowledging receipt of reports by the governor's office. A few files also include the reports themselves. Most files document New York State agencies' interactions with other government jurisdictions, including federal, state, and local. Some files include small amounts of correspondence and other materials relating to agency activities. A few files contain only these other materials and no transmittal or acknowledgement correspondence.
Title:	Governor inter-government activity report transmittal and acknowledgment files
Quantity:	1 cubic foot
Inclusive Date:	1949-1954
Series:	A0616
