## Overview of the Records

---

<b>Repository:</b>	New York State Archives
<b>Summary:</b>	This series consists of computer printout journals detailing weekly expenditures by state agencies. These journals are produced as part of the function of auditing and "overseeing financial transactions of state government." The printouts include information on the appropriation number, project, agency, amount of money expended, as well as the date and referral payments. This information is all computer-coded; a key to the coding, which is not currently present in the series, would be necessary.
