## Scope and Content Note

---

This series consists of an index containing two sections: (1) cross reference between number of canal section and letter and number of contract, arranged by division of canal and name of Canal Commissioner. (2) List of miscellaneous contracts, with name of Canal Commissioner, letter and number of contract, and location (section, lock). It is not known which volume it indexes. Many of the names in the index appear in Canal Contract Book, 1835-1855, unit 39, but the page numbers do not match.
