A3344-95: This accretion consists of two distinct series: additional civil and criminal case files of the Supreme Court and County Court (96 rolls); and minutes of the common council of the City of Hudson and of a private association (24 rolls). Custodial History

This microfilm was produced by a grant awarded and administered by SARA's Local Government Records Bureau for the 1992 and 1993 grant cycles. Grantees submitted two copies of each roll of project film: a silver copy for secure storage at the State Records Center; and a duplicate copy, containing only non-restricted records, for public use at the State Archives research room.

Use copies of rolls containing restricted records are not maintained by the Archives, and are withdrawn from public use at time of accessioning. Security copies of such rolls are held at the State Records Center and are subject to restrictions under law. However, not all restricted records were weeded at accession, and some use copies, such as rolls containing

post-1976 criminal cases concluded in favor of the defendant (acquittal or dismissal), are restricted.

A3344-92:Restricted film was so marked and use copies were weeded at time of accession; 205 rolls of master negatives (security copy) were sent to the State Records Center (TL 92-5).

A3344-95:Restricted film was so marked and use copies were weeded at time of accession; 204 rolls of master negatives (security copy) were sent to the State Records Center (TL 95-101, 102).
