Overview of the Records

Repository:	New York State Archives
Summary:	This series consists of indexes to permits issued by the Superintendent of Public Works. They contain information regarding what types of permits were issued and the nature of the work performed or action taken by the company to which the permit was issued. These are the only available volumes of a series which was at least eleven volumes total. There are no dates marked on the volumes but entries indicate they were probably compiled in the 1920s.

Scope and Content Note

This series consists of two bound volumes of indexes to permits issued by the Superintendent of Public Works. They contain information regarding what types of permits were issued and the nature of the work performed or action taken by the company to which the permit was issued.

These two volumes are the only extant part of a series which was at least eleven volumes total, as evidenced by the fact that they are labeled volume ten and eleven. There are no dates marked on the volumes but entries indicate they were probably compiled in the 1920s.
