## Overview of the Records

---

<b>Repository:</b>	New York State Archives
<b>Summary:</b>	This series consists of 2 accounting ledgers used by the Western Division Engineer's Office to record payroll transactions. The heading of each ledger page lists employee name, job title, salary or hourly wage, and any special terms relating to payments. Most payroll entries are credited to personal service or management and operations. The majority of employees are listed as civil engineers or engineering aids, but additional titles included equipment operator, mechanical helper, laborer, and stenographer.
