Overview of the Records

Repository:	New York State Archives
Summary:	This series consists of thirteen construction permit files documenting requests by businesses and private individuals to build structures on state land adjacent to canals. Anticipated structures include freight elevators, boat houses, coal sheds, warehouses and storage facilities, and mills deploying water power. Files typically include original application and supporting maps or plans, inspectors reports and recommendations, and resolutions of the Canal Board favoring or opposing the granting of requested permit.
Creator:	New York (State). Superintendent of Public Works
Title:	Superintendent of Public Works construction permit files
Quantity:	0.5 cubic feet
Inclusive Date:	1903-1904
Series:	B1020
