## Scope and Content Note

---

This series consists of letters nominating individuals for the position of coroner in New York City and in Montgomery County. The letters are either written by the person seeking the appointment, or by others who are nominating a person for the position. They include the signatures of those who wish to nominate a specific individual to the position along with the reasons why these individuals should be considered for the appointment. All of the letters are addressed to Governor DeWitt Clinton and the Council of Appointment of the State of New York.

## Use of Records

---

### Access Restrictions

There are no restrictions regarding access to or use of this material.

## Administrative Information

---

### Custodial History

These records were transferred by the Banking Department to the New York State Library in 1940, and then later to the New York State Archives. It is likely these records originated in the Comptroller's Office, which handled functions that were assumed later by the Banking Department when it was created in 1851.
