Related Information

Related Material

Series 16968, Epidemiological and Special Studies, contains related studies conducted by the Bureau of Occupational Health.

Series 17683, Epidemiological Studies, contains related studies conducted by the Bureau of Environmental and Occupational Epidemiology.

[^ Return to Table of Contents](#)

Use of Records

Access Restrictions

Access to personal health-related information is restricted pursuant to New York State Public Health Law Section 18 and the federal Health Insurance Portability and Accountability Act. State Archives staff will review requests for specific documents and disclose pursuant to New York State Freedom of Information Law.

Administrative Information

Processing Information

B1348-97: This accretion resulted from a project by Archives staff in 1997 to accession or integrate estrayed or unidentified records.
