Scope and Content Note

The minutes include discussions about the activities of the Temporary State Commission for Postwar Public Works Planning, location space, lists of projects undertaken, lists of unfinished business, additional projects to be conducted, and progress reports. The lists pertaining to projects planned or completed note the name of the project, a description of the project, the project location, serial numbers, and the estimated costs associated with the project. In some cases, the list includes both the estimated cost and the final cost of the project. Also found in this series are lists of projects rescinded, laws relating to post-war planning, fund requests, interim reports, and final reports.
