Overview of the Records

Repository:	New York State Archives
Summary:	This series consists of internal memoranda, along with lists of statutes and legislative bills, commenting on legislative proposals pertaining to the department and state transportation issues. Various offices of the Department of Transportation commented on the impact and advisability of sections of proposed law pertaining to their operations (planning, engineering, landscaping, program analysis). Issues included highway routes and maintenance, land sale and lease, environmental quality standards, vehicle and traffic signs/signals, and removing officers or fixing compensation for transportation employees.
Creator:	New York (State). Department of Transportation. Office of Legal Affairs
Title:	Internal memoranda on proposed legislation
Quantity:	0.2 cubic feet
Inclusive Date:	1969-1973
Series:	B1569

Scope and Content Note

The series consists of internal memoranda, along with lists of statutes and copies of legislative bills, commenting on legislative proposals pertaining to the department and state transportation issues. Various offices of the department commented on the impact and advisability of sections of proposed law pertaining to their operations (planning, engineering, landscaping, program analysis).

Discussion concerns law in the areas of highways, canals and transportation; environment; state/local finance; public authorities; vehicle and safety; and civil service. Issues include highway routes and maintenance, land sale and lease, environmental quality standards, vehicle and traffic signs/signals, and removing officers or fixing compensation for transportation employees.
