---

## Scope and Content Note

---

This series consists of two volumes of opinions issued by the Judge Advocate General's Office as well as correspondence and related documents concerning military issues on which the Judge Advocate General was asked to comment. The opinions concern a wide variety of issues that include court martial cases dealing with specific individuals, the procurement of military supplies, leaves of absence, bonds relating to the rehabilitation of armories, articles of war,

jurisdiction of the Court of Claims pertaining to military matters, martial law, inclusion of aliens in the state militia, and contracts concerning a variety of military-related functions.

## Use of Records

---

### Access Restrictions

There are no restrictions regarding access to or use of the material.

---

## Administrative Information

---

### Custodial History

These volumes were most likely received sometime in 1983 along with a large quantity of other records that were transferred by the Division of Military and Naval Affairs to the State Archives. Somehow the volumes became estranged from the original accession and they were subsequently identified and accessioned as part of the 11th floor renovation project.
