Overview of the Records

Repository:	New York State Archives
Summary:	This ledger volume provides statistical information on registered voters by county. Numbers are further broken down by city, town, and election district. Numbers of male and female voters are also included for some counties. References to "personal" and "non-personal" registrations may indicate whether or not mail-in registrations were permitted by the county. Mail-in registrations are now permitted universally. The volume does not include data for the five boroughs of New York City.
