Scope and Content Note

This series consists of archival copies of the publicly accessible website of the New York State Commission on Local Government Efficiency & Competitiveness.

B2069-08: This accretion consists of a copy of the Commission on Local Government Efficiency & Competitiveness site produced on May 20, 2008, shortly after the resignation of Governor Eliot L. Spitzer (2007-2008). Owing to the structure of the site and the limitations of Web archiving technology, only the commission's April 2008 financial report was captured successfully.

B2069-09: This accretion consists of a copy of the Commission on Local Government Efficiency & Competitiveness site produced on April 1, 2009, shortly after the commission formally ceased operations. Owing to the structure of the site and the limitations of Web archiving technology, only some of the information on this site was captured successfully: the commission's April 2008 final report; commission recommendations incorporated into the 2009-2010 Executive Budget; the September 2008 report on town and village courts issued by the New York State Special Commission on the Future of the State Courts; and the December 2008 final report of the New York State Commission on Property Tax Relief.

B2096-10: This accretion consists of a copy of the Commission on Local Government Efficiency & Competitiveness Web site produced on December 24, 2010, shortly before Governor David A. Paterson (2008-2010) left office. Owing to the structure of the site and the limitations of Web archiving technology, only some of the information on this site was captured successfully.

Moreover, all of the information included in this copy is also present in the April 1, 2009 copy of the site.

B2069-15: This accretion consists of a copy of the Commission on Local Government Efficiency and Competitiveness Web site produced on March 3, 2015, shortly after Governor Andrew Cuomo (2011-) completed his first term of office. Owing to the structure of the site and the limitations of Web archiving technology, only some of the information on this site was captured successfully. Moreover, all of the information included in this copy is also present in the April 1, 2009 and December 24, 2010 copies of the site. The site was removed from the live Web some time after this copy was produced.
