---

This series consists of archival copies of the publicly accessible website of the Rochester-Genesee Regional Transportation Authority.

B2162-07: This accretion consists of a copy of the Rochester-Genesee Regional Transportation Authority site produced on May 3, 2007, shortly after Governor George E. Pataki (1995-2006) left office. It contains information about the authority's history, mission, and organizational structure; a consolidated business summary and multiyear financial plan (2006) and other financial documents; and information about purchasing bus passes.

Researchers should note that owing to the structure of the live site and the limitations of Web archiving technology, the menu links on the left side of the home page do not work. Use the links at the top or the right side of the home page to access other pages.

B2162-08: This accretion consists of a copy of the Rochester-Genesee Regional Transportation Authority site produced on June 7, 2008, shortly after the resignation of Governor Eliot L. Spitzer (2007-2008). It contains information about the authority's history, mission, and organizational structure; service alerts (2007-2008); and information about purchasing bus passes.

Researchers should note that owing to the structure of the live site and the limitations of Web archiving technology, the menu links on the left side of the home page do not work. Use the links at the top or the right side of the home page to access other pages.

B2162-11: This accretion consists of a copy of the Rochester-Genesee Regional Transportation Authority site produced on January 3, 2011, shortly after Governor David A. Paterson (2008-2010) left office.
