Scope and Content Note

This series consists of an archival copy of the official website of Senator Neil D. Breslin produced on June 13, 2008, shortly after the resignation of Governor Eliot L. Spitzer (2007-2008). It contains biographical information, press releases (2008), photographs, and mailers (2006) concerning women's health, energy conservation, and other subjects of interest to Senator Breslin's constituents.

Researchers should note that, owing to the structure of the live site and the limitations of Web archiving technology, most of the information contained within this site could not be captured properly. In addition, some of the navigational links do not work properly. However, identical sets of navigational links appear at the top and the bottom of each page. If the link in one set does not work correctly, click the Web browser's Back button and then click on the corresponding link in the other set.

Researchers should also note that Senator Breslin apparently did not have an official Web site as of late 2006, when Governor George E. Pataki (1995-2006) left office. Moreover, in 2009, each senator was allotted space on the main Senate website and the official sites of individual senators were removed from the live Web.
