Administrative History

Senator Martin Malavé Dilan, a Democrat, was elected to the Senate in a 2006 special election. He represents the 17th Senate District, which consists of the Brooklyn neighborhoods of Bushwick, Brooklyn, Williamsburg, Greenpoint, Cypress Hills, City-Line, East New York, Bedford-Stuyvesant, and Brownsville. He has served as Senior Assistant Minority Leader (2009-2010) and Chair of the Senate Standing Committee on Transportation (2009-2010).

Scope and Content Note

This series consists of archival copies of the publicly accessible website of Senator Martin Malavé Dilan. Researchers should note that in 2009, each Senator was allotted space on the main Senate Web site and the official sites of individual Senators were removed from the live Web.

B2216-06: This accretion consists of an archival copy of Senator Dilan's official website produced on December 20, 2006, shortly before Governor George E. Pataki (1995-2006) left office. It contains biographical information, photographs, and press releases (2003-2006) concerning health care, education, and other matter of interest to Senator Dilan's constituents. A map of the 17th Senate District is also included.

B2216-08: This accretion consists of a copy of Senator Dilan's official website produced on June 12, 2008, shortly after the resignation of Governor Eliot L. Spitzer (2007-2008). It contains biographical information, photographs, a map of the 17th Senate District, and press releases (2008) concerning a proposed Greenpoint power plant, the resignation of Governor Spitzer, and other matters of interest to Senator Dilan's constituents.

Researchers should note that, owing to the structure of the live site and the limitations of Web archiving technology, most of the information contained within this site could not be captured properly. In addition, some of the navigational links do not work properly. However, identical sets of navigational links appear at the top and the bottom of each page. If the link in one set does not work correctly, click the Web browser's Back button and then click on the corresponding link in the other set.
