Scope and Content Note

This series consists of an archival copy of the official website of Senator Craig M. Johnson produced on June 10, 2008, shortly after the resignation of Governor Eliot L. Spitzer (2007-2008). It contains biographical information, press releases (2008), photographs, and a district map. Researchers should note that the "A Guide to Your Elected Officials" link actually links to the text of a model local law (2007) for flood protection.

Researchers should note that, owing to the structure of the live site and the limitations of Web archiving technology, most of the information contained within this site could not be captured properly. In addition, some of the navigational links do not work properly. However, identical sets of navigational links appear at the top and the bottom of each page. If the link

in one set does not work correctly, click the Web browser's Back button and then click on the corresponding link in the other set.
