Scope and Content Note

This series consists of archival copies of the publicly accessible website of Senator Carl Kruger. Researchers should note that in 2009, each Senator was allotted space on the main Senate website and the official sites of individual Senators were removed from the live Web.

B2231-06: This accretion consists of an archival copy of Senator Kruger's official website produced on December 21, 2006, shortly before Governor George E. Pataki (1995-2006) left office. It contains biographical information, photographs, and press releases (2004-2005) concerning consumer protection and other legislation that Senator Kruger sponsored, schools,

hospitals, and road construction in the 26th Senate District, and other matters of interest to Senator Kruger's constituents. A district map is also included.

B2231-08: This accretion consists of a copy of Senator Kruger's official website produced on June 12, 2008, shortly after the resignation of Governor Eliot L. Spitzer (2007-2008). It contains biographical information, press releases (2007) concerning congestion pricing and legislation that Senator Kruger sponsored, photographs, and a district map.

Researchers should note that, owing to the structure of the live site and the limitations of Web archiving technology, most of the information contained within this site could not be captured properly. In addition, some of the navigational links do not work properly. However, identical sets of navigational links appear at the top and the bottom of each page. If the link in one set does not work correctly, click the Web browser's Back button and then click on the corresponding link in the other set.
