Administrative History

Senator Vincent L. Leibell, a Republican, was first elected to the Senate in 1994 and resigned on December 3, 2010. He represented the 40th Senate District, which consists of northern Westchester County, Putnam County, and eastern Dutchess County. He chaired the following standing committees: Housing, Construction and Community Development; Corporations, Authorities and Commissions; Veterans, Homeland Security and Military Affairs; and Civil Service and Pensions.

Scope and Content Note

This series consists of archival copies of the publicly accessible website of Senator Vincent L. Leibell. Researchers should note that in 2009, each Senator was allotted space on the main Senate website and the official sites of individual Senators were removed from the live Web.

B2235-06: This accretion consists of an archival copy of Senator Leibell's official website produced on December 21, 2006, shortly before Governor George E. Pataki (1995-2006) left office. It contains biographical information, press releases (2000-2006), photographs, and a district map. Updates concerning property and other tax cuts in the 2006-07 Executive Budget,

the state Health Care Proxy Law, and other matters of interest to Senator Leibell's constituents are also included.

B2235-08: This accretion consists of a copy of Senator Leibell's official website produced on May 8, 2008, shortly after the resignation of Governor Eliot L. Spitzer (2007-2008). It contains biographical information, press releases (2008), photographs, and information about proposed legislation limiting parole of violent felons, higher education assistance programs, and other matters of interest to Senator Leibell's constituents.

Researchers should note that, owing to the structure of the live site and the limitations of Web archiving technology, most of the information contained within this site could not be captured properly in mid-2008. In addition, some of the navigational links do not work properly. However, identical sets of navigational links appear at the top and the bottom of each page. If the link in one set does not work correctly, click the Web browser's Back button and then click on the corresponding link in the other set.
