Administrative History

Senator David J. Valesky, a Democrat, was first elected to the Senate in 2004. He represents the 49th Senate District, which consists of Madison County and portions of Cayuga County, Onondaga County, and Oneida County. He has served as ranking minority member of the Standing Committee on Agriculture and the Standing Committee on Environmental Conservation, co-chair of the Temporary Committee on Rules and Administration Reform, and Vice President Pro Tempore (2009-2010).

Scope and Content Note

This series consists of archival copies of the official website of Senator David J. Valesky. Researchers should note that in 2009, each Senator was allotted space on the main Senate website and the official sites of individual Senators were removed from the live Web.

B2267-06: This accretion consists of an archival copy of Senator Valesky's official website produced on December 26, 2006, shortly before Governor George E. Pataki (1995-2006) left office. It contains biographical information; photographs; a district map; and press releases (2006) concerning Senator Valesky's 2006-07 legislative member items, eminent domain and other legislation that Senator Valesky sponsored, and other matters of interest to Senator

Valesky's constituents. Information about the work of the Legislative Commission on Rural Resources is also included.

B2267-08: This accretion consists of a copy of Senator Valesky's official website produced on June 13, 2008, shortly after the resignation of Governor Eliot L. Spitzer (2007-2008). It contains biographical information; photographs; a district map; and press releases (2008) concerning the formation of the Senate Upstate Democratic Caucus, Senator Valesky's comments concerning passage of the 2008-09 Executive Budget, and a Memorial Day observance.

Researchers should note that, owing to the structure of the live site and the limitations of Web archiving technology, most of the information contained within this site could not be captured properly in mid-2008. In addition, some of the navigational links do not work properly. However, identical sets of navigational links appear at the top and the bottom of each page. If the link in one set does not work correctly, click the Web browser's Back button and then click on the corresponding link in the other set.
