## Scope and Content Note

---

This series consists of archival copies of the website of the New York State Energy Planning Board.

B2282-10: This accretion consists of a copy of the Energy Planning Board site produced on February 26, 2010, after the 2009 New York State Energy Plan was released. It contains information about the board's mission and organizational structure, board meeting minutes (2008-2009), reports and presentations delivered at board meetings (2008-2009), the final State Energy plan (2009), and public comments concerning draft versions of the plan (2008-2009).

B2282-11: This accretion consists of a copy of the Energy Planning Board site produced on April 15, 2011, after Governor David A. Paterson (2008-2010) left office. It contains background information about the board, a board meeting notice and meeting summary (2010), final State Energy plans (2002, 2009), a draft scope (2013) of the next State Energy Plan, and schedule of events and due dates relating to the next State Energy Plan.

B2282-17: This accretion consists of a copy of the Energy Planning Board site produced on January 27, 2017, during the second term of Governor Andrew M. Cuomo (2011- ). It contains background information about the board, bylaws governing its operations, and board meeting materials, presentations, and webcasts (2010-2014, RealPlayer format only). Also included are final New York State Energy Plans (2002, 2009, and 2015), information about the scope and development of the State Energy Plan, and a list of events (2009-2015).

B2282-19: This accretion consists of a copy of the board's site produced on December 17, 2019, during the third term of Governor Andrew M. Cuomo (2011-present). Most of the information in this copy is also present in the January 27, 2017 copy of the site, but this copy also includes a biennial 2015 version of the State Energy Plan and an updated list of events (2010-2017).
