Scope and Content Note

This series contains scattered attendance records for individual patients or students and summary statistical information for treatment units. Information for attendance rosters includes dates covered; names of units; patient names and case numbers; indications of the patients present or absent for each day; brief notes; and total numbers of students present per month. Census rosters give dates; treatment units; names of students present and transferred to and from wards; and total numbers of male and female students present or on leave.
