Overview of the Records

Repository:	New York State Archives
Summary:	This series documents the work of a temporary commission authorized to survey and determine the need for special services in the village of Saranac Lake and surrounding area for people with disabilities, particularly in relation to medical and educational services; occupational therapy; vocational guidance; training; and placement. The commission was also responsible for ascertaining whether state financial support for the operation and maintenance of schools or agencies furnishing services to people with disabilities was warranted. The commission submitted this report detailing their findings and recommendations to the governor and legislature in 1953.
