Scope and Content Note

This series provides a record of the activity of each Assembly committee and the action taken on each bill referred to it.

The records give the following information about each bill: introducer; date introduced; printing and introductory numbers; title of bill; date considered by committee; roll call vote in committee; date of committee report (i.e., action); and committee action (i.e., defeated, favorable, favorable with amendments, referred to another committee).

L0051-95: This accretion contains carbon sets providing the information described above. In addition, filed separately, are original bills stamped "to be returned with report," sometimes with notices or receipts attached by the committee clerk informing on actions (e.g. other requirements, delivery to another place). For several committees there are computer printouts, published by the Legislative Bill Drafting Commission, reporting cumulative action on bills. The printouts show bill number, sponsor, section of state law affected, title, and dates of referral, enactment, or other action.

The following committees are represented in this accretion: Aging; Banks; Cities; Commerce, Industry, and Economic Development; Consumer Affairs and Protection; Governmental Employees; Governmental Operations; Health; Housing; Insurance; Judiciary; Labor; Local Government; Social Services; Real Property Taxation; Small Business; Tourism, Arts, and Sports Development; Transportation; Veterans Affairs; and Ways and Means.
