Overview of the Records

Repository: New York State Archives

Summary: This series consists of Medicare/Medicaid Skilled Nursing Facility Reports or Health Related Facility Reports for closed nursing homes in New York State. Written by Office of Health Systems Management field workers, these reports establish compliance with various federal and state regulations including governing body, administration and organization, patient rights, medical records, physical environment, and utilization. Additionally, some data includes the number of beds, owners of facilities, names of administrators, and nursing schedules. Written comments describe areas of non-compliance.
