Overview of the Records

Repository: New York State Archives

Summary: This series contains deeds recorded in the office of the Secretary of the Colony (from 1664 to 1783) and the Secretary of State (from 1783 to 1890). Prior to 1700, the deed books were used to record various contracts in addition to conveyances of real property. Beginning in the eighteenth century, the overwhelming majority of entries documented conveyances of real property between private parties.
