Overview of Records

Repository:
New York State Archives

Summary:
This series documents the development and activities of the State University of New York (SUNY) Central Administration and campus offices, committees, and other organizational units that formulate and implement SUNY’s policies and programs. The records discuss the scope and evolution of SUNY’s educational and research activities. Additionally, records document the administrative, legal, and fiscal rights and obligations of the SUNY system and its faculty and students. Significant topics include equal employment opportunities, the financing of higher education, and student exchange programs.
