Administrative History

The New York State Bureau of Business Publicity was created to promote New York State's businesses and industries to the public. This bureau operated within the State Department of Commerce's Division of State Publicity. Its activities focused on the preparation and distribution of informational resources about New York's economic resources. Information distributed by the Bureau of Business Publicity was used in publications such as newspapers, textbooks, encyclopedias, and trade publications.
Scope and Content Note

This series consists of several scrapbooks of newspaper clippings collected and maintained by the Bureau of Business Publicity. The clippings relate to businesses and industries of New York State, documenting the bureau's mission to promote the state's economic resources. Topics covered include small businesses in New York State, the rise of suburban shopping centers, and the impact of urban planning on local businesses.
