Overview of the Records

Repository: New York State Archives

Summary: This series contains forms and informational brochures used in managing Disaster Recovery Centers. Forms include visitor count logs and agency checklists; daily logs; and intake forms used to record services needed and used by residents following disasters and government agency services that were being provided. Brochures, which were available in both English and Spanish, include flood relief, self-care after disasters, and child care.

Creator: New York (State). Office of Temporary and Disability Assistance
